1. If the bidder is a Micro or Small Enterprise as per latest definitions under MSME rules, the bidder shall be exempted from the requirement of "Bidder Turnover" criteria and "Experience Criteria" subject to meeting of quality and technical specifications. If the bidder is OEM of the offered products, it would be exempted from the "OEM Average Turnover" criteria also subject to meeting of quality and technical specifications. In case any bidder is seeking exemption from Turnover / Experience Criteria, the supporting documents to prove his eligibility for exemption must be uploaded for evaluation by the buyer.
2. If the bidder is a Startup, the bidder shall be exempted from the requirement of "Bidder Turnover" criteria and "Experience Criteria" subject to their meeting of quality and technical specifications. If the bidder is OEM of the offered products, it would be exempted from the "OEM Average Turnover" criteria also subject to meeting of quality and technical specifications. In case any bidder is seeking exemption from Turnover / Experience Criteria, the supporting documents to prove his eligibility for exemption must be uploaded for evaluation by the buyer.
3. The minimum average annual financial turnover of the bidder during the last three years, ending on 31st March of the previous financial year, should be as indicated above in the bid document. Documentary evidence in the form of certified Audited Balance Sheets of relevant periods or a certificate from the Chartered Accountant / Cost Accountant indicating the turnover details for the relevant period shall be uploaded with the bid. In case the date of constitution / incorporation of the bidder is less than 3-year-old, the average turnover in respect of the completed financial years after the date of constitution shall be taken into account for this criteria.
4. Years of Past Experience required: The bidder must have experience for number of years as indicated above in bid data sheet (ending month of March prior to the bid opening) of providing similar type of services to any Central / State Govt Organization / PSU / Public Listed Company. Copies of relevant contracts / orders to be uploaded along with bid in support of having provided services during each of the Financial year.
5. Purchase preference to Micro and Small Enterprises (MSEs): Purchase preference will be given to MSEs as defined in Public Procurement Policy for Micro and Small Enterprises (MSEs) Order, 2012 dated 23.03.2012 issued by Ministry of Micro, Small and Medium Enterprises and its subsequent Orders/Notifications issued by concerned Ministry. If the bidder wants to avail the Purchase preference for services, the bidder must be the Service provider of the offered Service. Relevant documentary evidence in this regard shall be uploaded along with the bid in respect of the offered service. If L-1 is not an MSE and MSE Service Provider (s) has/have quoted price within L-1+ 15% of margin of purchase preference /price band defined in relevant policy, then 100% order quantity will be awarded to such MSE bidder subject to acceptance of L1 bid price.
6. Estimated Bid Value indicated above is being declared solely for the purpose of guidance on EMD amount and for determining the Eligibility Criteria related to Turn Over, Past Performance and Project / Past Experience etc. This has no relevance or bearing on the price to be quoted by the bidders and is also not going to have any impact on bid participation. Also this is not going to be used as a criteria in determining reasonableness of quoted prices which would be determined by the buyer based on its own assessment of reasonableness and based on competitive prices received in Bid / RA process.
7. Past Experience of Similar Services: The Bidder must have successfully executed / completed at least one single order of 80 % of the Estimated Bid Value or 2 orders each of 50 % of the Estimated Bid Value or 3 orders each of 40 % of the Estimated Bid Value for similar service(s) in last three years to any Central / State Govt Organization / PSU / Public Listed Company. Copies of contracts / work orders and documentary evidence of successful execution / completion in support of Past Experience of Similar Services along with names, address and contact details of clients shall be uploaded with the bid for verification by the Buyer.

7. The Bidder should provide end to end connectivity on its own network (via local loop) on Optical Fibre Cable in Ring Topology.

Sr. No.	Particulars	Yes / No (To be filled by the Bidder)
1	The Service Provider shall provide the 1 Gbps <b>(1:1 uncompressed and unshared)</b> Internet leased Line (on Optical Fibre) for an <b>uncompressed and unshared connectivity</b> at all the time (24 x 7 x 365) at the Permanent Campus Survey no 140,141/1 Behind Br. Sheshro Wankhde Shetkari Soot Girni At. Waranga, Po-Bori (Butibori) Tahsil- Nagpur (Rural) District Nagpur-441108.	
2	The Service Provider shall provide a minimum subnet of <b>64 Public</b> IPv4/IPv6 addresses including Reverse Lookups configured at these IP's.	
3	The Service Provider should have fully resilient and self-healing network architecture, on fibre medium, from the international gateway in India upto the international Points of Presence. <b>(Detailed architectural layouts need to be included with the bidder's proposal as annexure.)</b>	
4	Packet Losses: Less than 1% (Average over 1000 ping) at any given point of time to any part of globe.	
5	Latency: Region wise maximum permissible latency is as follows:  a) Less than 250 ms to North America b) Less than 200 ms to Europe c) Less than 150 ms to Asia Pacific d) Less than 20 ms from the Institute to Service Providers Tier-1Peering Point.  Latency will be randomly checked on daily basis. In case of non-adherence latency limit, the link will be considered as down with effect from time of detection till the time is restored,	
6	<b>Network Availability (uptime): More than 99.5 % per month.</b>	
7	Border Gateway Protocol (BGP) Implementation in the Internet Link.	
8	Reports for performance, monitoring / usage to be submitted by the service provider on weekly or monthly basis or as per requirement of the Institute.	
9	<b>Uptime Calculation: Uptime shall be calculated as (Total Time - Down Time) X 100/Total Time. Deduction in payment will be made for downtime in the quarterly bills raised by the ISP (Service Provider).</b>	
10	The response time for attending the faults will be 1 hour after they are reported to the service provider. The Service Provider will rectify the faults within 12 hours failing which; the vendor will arrange temporary replacements. The services shall be provided 24 X 7 X 365.	
11	Maximum Time to Repair (MTTR), Packet loss and Link failover will be calculated using MRTG portal hosted at IITN or through ISP portal	

11	All the equipment including Router supplied by the service provider should be capable of handling up to <b>05 Gbps</b> to allow for potential upgrades that may be required during the empanelment period. Further, the end of life of equipment as declared by the manufacturer of such equipment's should not be within the empanelment period.																									
12	Redundant Path: Service provider need to ensure operational uplink on both path of Ring all the time. Random checking of Ring path will be scheduled with prior intimation to the Service Provider to evaluate the response time for attending the faults and both paths will be checked after that in case of failure / non-operational of any path in ring the link will be treated as down (for the purpose of uptime calculation though the Internet Service will be available to the Institute by any one of the paths) till the path is restored.
